O

SE OF THIS VEIL: To

separate the Soul from its

Source

- When

Divinity is placed *outside* of you:

- You

become programmable by

those
who

claim access to that external God.

- Self-worth is tethered to

- You are

THE TRUTH:

 God

is not
“out

there.

”

God is

in here

—

every

cell,
every
breath,
every
harmon

emit.

 The Divine is not a man on a

throne
in

the sky.
 It is
the
eternal
awaren

animating your being.

 You

are not
a *child*
of God
—you
are a

fractal of

God.
When
you
cry, the
Infinite

knows

what
your
tears
feel like
from

the inside.
When you

love,
Divinity
experie
nces
itself

through

you.
